Dear Dana, Petra and all at the Foundation
of St. Francis of Assisi,

"WORKS OF LOVE ARE ALWAYS WORKS OF PEACE "

ST. MOTHER TERESA

It gives me immense pleasure to thank you and all our friends at
the Foundation of St. Francis of Assisi.

First I would like to apologise for the delay of pursuing your
request for this letter as I was sick again with Viral fever and
it took a long time for me to recover, maybe because my resistance
to all kinds of diseases is low.

Regarding the consignment of the medical supplies that you have
generously provided us was very much appreciated by our Sisters
and Brothers from the different branches in India. As you have come
to know during your last visit.

As I understood, Sr. Maria Ruah MC had explained to you how it was
utilized and especially how important those materials for our centres.
She being a doctor knows what is most essential and most urgent. I
am especially grateful to the Foundation for providing us with the
colour coding to all the different boxes which made it easy for all
of us to segregate each items.

The Foundation of St. Francis of Assisi and its partnership with the
Missionaries of Charity has shown its love of preference for the
poorest of the poor by helping with the medical supplies and medicines,
the beneficiaries are those most vulnerable section of the human
Society - the sick, the weak, aged, the physically and mentally
challenged irrespective of caste and creed.

It has saved thousands of lives, restored thousands to good health,
given hope to the hopeless and restored human dignity to all. Our
humble works of love together has revealed God's tender love to the
poorest of the poor, they know God's care for them. It has helped
them to turn to God in loving trust and surrender and receive His
peace and give His peace to others through forgiveness.

Together with our poor, I take this opportunity for meeting you -
Petra your friendship, and commitment. It has been an honor and a
pleasure and I remain hopeful that our paths will meet again
someday in the future. May you have a Blessed Triduum for the Holy
week. HAPPY EASTER TOO.

Yours sincerely,

A. M. Mercina
